

City gives Answers to Floodplain

Questions

If you want to know if a property is in the Special Flood Hazard Area, please contact Jackie Gorman, Director of Planning & Community Development at 352-795-4216 Ext. 308. You can make an appointment for information about the City's Flood Insurance Rate Map, coastal high hazard areas, flood depths at your property, natural conservation areas and wetlands, flood insurance, special rules for building in the floodplain, and ideas for protecting your property from flood damage. You can find copies of FEMA Elevation Certificates on some buildings constructed or substantially improved in the floodplain on our website at www.crystalriverfl.org.
