

THE RISK IS REAL

In the past 5 years, all 50 states have experienced flooding. A flood can be devastating, and you don't have to live near water to be at risk. Factors such as changing weather patterns or land development can present new flooding risks for your community. Visit **FloodSmart.gov** or call **1-800-427-2419** to learn your risk and to find a local insurance agent if you don't already have one. Having flood insurance means you can recover more quickly, with less financial pain. But don't stop there. Here are more things you can do to prepare for flooding and assure your safety.
