CRYSTAL RIVER CITY COUNCIL
Agenda Item Summary

Meeting Date: July 19, 2018

Agenda Item Number: 4A

Requested Motion: Motion to Adopt Resolution No. 18-R-20 setting Truth-In-Millage (TRIM) rate at 4.5 mills and Setting the Two Required Public Hearing Dates for September.

Summary: City Council has been provided with copies of the Recommended Budget for FY2019. The recommended budget anticipates ad valorem revenues in the amount of \$2,036,806 and no change of the current millage rate of 4.5 mills. Council is being asked to take the following actions through adoption of Resolution 18-R-20.

Adopt a Truth-In-Millage (TRIM) Rate of 4.5 Mills.

Council is required to adopt a TRIM rate, which is the rate disseminated to the public to advise them of the potential tax levy for the upcoming year. The final millage rate adopted by Council can be lower than the TRIM rate, but not higher (unless an extensive public notice process is followed).

Set Two Dates in September for the Required Public Hearings.

The City is required to conduct two public hearings prior to final adoption of the budget. State law establishes certain requirements that must be met in setting those dates (i.e. the dates set by the City cannot conflict with the public hearing dates set by the County or the School Board). It is recommended that the first public hearing be set for Monday, September 10, to be conducted as the first order of business for the regular Council meeting scheduled to begin at 7 PM on that date. It is recommended that the second public hearing be set for **Tuesday, September 25 at 6:00 p.m.** *This special Council meeting date has been proposed to ensure there is no conflict with a previously scheduled budget workshop being held by Citrus County B.O.C.C. on the date of the City's Regular Council meeting.*
