Dear Valued F.D.S. Disposal Customer:

This notification is to inform you that your Recycling Collection will now be performed by an “Automated” collection vehicle (see below), that has a mechanical arm that extends off the curbside of the vehicle to lift and empty your recycling cart.

- Please position your Blue Recycling Cart with the *handle and wheels facing your home.*
- In addition, Please position your Blue Recycling Cart on the *opposite side of the driveway, within four (4) feet of the curb, away from your mail box, street light or parked vehicle (see below).*

Thank you in advance for your cooperation and assistance.
